

Tis Only We Who Grieve

Tis only we who grieve
They do not leave
They are not gone
They look upon us still
They walk among the valleys now
They stride upon the hill
Their smile is in the summer sky
Their grace is in the breeze
Their memories whisper in the grass
Their calm is in the trees
Their light is in the winter snow
Their tears are in the rain
Their merriment runs in the brook
Their laughter in the lane
Their gentleness is in the flowers
They sigh in autumn leaves
They do not leave
They are not gone
Tis only we who grieve
If only we could see the splendour of the land
To which our loved ones are called from you and me
We'd understand
If only we could hear the welcome they receive
From old familiar voices all so dear
We would not grieve
If only we could know the reason why they went
We'd smile and wipe away the tears that flow
And wait content.
