

Beyond The Sunset's Radiant Glow

Beyond the sunset's radiant glow
There is a brighter world, I know,
Where golden glories ever shine,—
Beyond the tho't of day's decline.

Beyond the sunset's radiant glow, (radiant glow)
There is a brighter world, I know;
Beyond the sunset I may spend
Delightful days that never end.

Beyond the sunset's purple rim,
Beyond the twilight, deep and dim,
Where clouds and darkness never come,
My soul shall find its heav'nly home.

Beyond the sunset's radiant glow, (radiant glow)
There is a brighter world, I know;
Beyond the sunset I may spend
Delightful days that never end.

Beyond the desert, dark and drear,
The golden city will appear;
And morning's lovely beams arise
Upon my mansion in the skies.

Beyond the sunset's radiant glow, (radiant glow)
There is a brighter world, I know;
Beyond the sunset I may spend
Delightful days that never end.
